# RELEASED!

New Years Eve 2012 marked the beginning of Mobile's newest tradition. With a nod to Mardi Gras history the Order of Pan adopted the emblem of one of the first all-inclusive societies, the Krewe of Pan, The inaugural ball date of New Years Eve followed in the footsteps of Cowbellion de Rankin Society and the Strikers Independent Society. With these queues from the past Order of Pan set out to make its own history!

The members transformed Government Plaza into the stage of an *Avant Garde* evening filled with over-the-top costumes and tables and great fun with friends to welcome in 2013.
